## STRUCTURAL DESIGN STATEMENT (Undertaken by Checking Engineer)

I (**insert name**), being professional engineers (structural) within the meaning of the NCC (**insert year**) (Volume 2) hereby certify that:

1. I am responsible for the structural checking of the DTCM submission for:

**Insert DTCM reference number (if known) and description**

2. I am independent of the Certifying Engineers and do not work for the same employer/company.
3. The abovementioned DTCM drawing(s) and Structural Section 40 associated computations and/or testing has been checked in accordance with the principles of structural mechanics.
4. If constructed as documented, it is capable of sustaining the most adverse combination of design loads in accordance with the relevant provisions of the NCC (**insert year**) (Volume 2).
5. The relevant Australian Standards codes, specifications and references relied upon in the design are correctly referenced on the drawing.
6. I certify that the structural design has been checked by:

**Insert name, signature, date and qualifications and registration details**

<b><u>CERTIFICATION BY STRUCTURAL ENGINEER</u></b>			
<b>Company Name</b>			
I certify that reasonable care has been taken to ensure that the structural engineering aspects of the works as described above have been designed in accordance with the requirements of the Building Code of Australia and the Northern Territory Building Regulations.			
<b>Name</b>	<b>Nominee/Individual Registration Number</b>	<b>Signature</b>	<b>Date</b>
